| SECTION: | LICENSING FORMS | LIF-DRA-001 |
| TITLE: | DRONE REGISTRATION APPLICATION FORM FOR ORGANIZATIONS | |

Terms and Conditions:

1. The organization shall ensure all drones are registered with the GCAA before intending to operate in the UAE.
2. The organization shall ensure no operations are conducted in the UAE without the GCAA ANA airspace user approval.
3. The organization shall ensure no operations are conducted in the UAE without the GCAA security approval.
4. The organization shall ensure all operations are conducted in accordance with the conditions/limitations stated by the GCAA.
5. The organization shall ensure no operations are conducted in the UAE without valid insurance coverage.
6. The organization shall ensure all drone operators are qualified for the intended operations and are registered with the GCAA.
7. The organization shall ensure that a risk assessment (e.g. weather, night/day, area of operations, safety to person on ground) is conducted prior to each flight.
8. The organization shall ensure that any occurrence is reported to the GCAA.
9. The organization shall ensure that no flight jeopardizes safety, security and privacy to other airspace users, properties or persons.
10. The organization shall ensure that operations are conducted in accordance with the Civil Aviation, the GCAA publications and all other UAE government entities.
