H. Responsibilities and Conditions

1. This application shall be filled and signed by the Owner(s) or the Authorized Legal Representative.

Note: In case of multiple owners a legal representative shall be delegated to sign this application.

2. In case parts are intended to be used for non-aviation purposes, the applicant is allowed to remove all parts from the airport, provided he has submitted a list of these parts together with this application to FOA. The parts should be identified by quantity, name, part- and serialnumber.
3. The applicant is responsible for ensuring they meet all requirements of the concerned stakeholders.
4. The applicant is fully liable for the authenticity of the documents and information submitted to the GCAA.
5. Under no circumstance, shall the GCAA be held liable for the conduct/process of the Dismantle and Destroy operation or for the disposal of un-salvageable aircraft parts.
6. The GCAA may reject any application subject to its discretion and without providing justifications.

I. Declaration

1. The applicant is not allowed to remove any part from the aircraft unless he has received the NOC for Aircraft Dismantle and Destroy from GCAA. Removal of any part without an NOC from the aircraft is considered to be a violation of the Civil Aviation Regulation CAR PART IV FOR.NOC.035.
2. I/we certify the information presented in this application are correct.
3. I/we have read the Terms and Conditions and all other requirements related to Dismantle and Destroy.

J. Submission Instruction

1. This form should be submitted to the assigned Authority (DCAA or Airport as applicable).
2. The assigned authority shall forward the approved application together with the checklist (FAF-DIS-002) to foa@gcaa.gov.ae to request the issuing of an NOC.
3. FOA will submit the NOC to the applicant and the assigned authority within 10 days after receipt.
