INFORMATION

This General Information Bulletin (GIB) is published to announce the launch of UAE Aviation Safety Conference 2025. The theme of the conference is "AI and the Future of Aviation Safety: Intelligent Skies, Safer Flights". The conference aims to bring together key stakeholders from across the aviation industry and government entities to share best practices, discuss regulatory updates, and explore the latest artificial intelligence (AI) technological innovations that will shape the future of aviation safety. Our goal is to foster collaboration, discover trending (AI) artificial intelligence solutions and enhance the safety culture within the industry.

The conference itinerary is as follows:

- (a) Venue: Marriott Hotel Al Jaddaf, Dubai.
- (b) Date: 03rd– 04th November 2025.
- (c) The agenda will be made available at an appropriate later stage.

Industry professionals are invited to participate as speakers on topics aligned with the event's theme. For more information on how to join the event's agenda, please send an email with your participation details. The deadline to send your participation is on 15th of August 2025.
