**Description:**

The security situation in Pakistan has led to EASA issuing a Safety Information Bulletin - EASA SIB No 2015-02R1, drawing the attention of aircraft operators to the AIC France Circular A 02/15 dated January 2015. The French AIC requires operators, not to fly in Pakistan airspace (FIR OPLR (LAHORE) and FIR OPKR (KARACHI) below FL240 with effect from 17<sup>th</sup> Jan 2015.

**Recommendations:**

The following are the GCAA recommendations to all UAE AOC/POC Holders:

1. Operators to ensure that relevant personnel including flight crew are aware of the above referenced publication.
2. Operators to continue monitoring the security situation in Pakistan and share with the GCAA, relevant information arising, while performing security assessments.
3. Operators to report Safety and/or security incidents occurring in this region via ROSI.
