

SAFETY ALERT 2020-11

Issue 01

Date of Issue: December 8, 2020

SUBJECT:

UPDATE OF PUBLICATIONS ON THE GCAA WEBSITE

REFERENCE PUBLICATIONS:

Information Bulletin 2020-18 dated on 06th November 2020.

REASON:

On 06th November 2020, the GCAA has published IB 2020-18 to inform the Aviation industry that the GCAA will no longer publish CAAPs and that all old CAAPs were phased out and replaced by standalone AMCs and to give them guidance about:

- (a) the list of CAAPs phased out and the list of new standalone AMCs;
- (b) the list of CARs amended with new references to new AMCs;
- (c) how to access the new AMCs in the GCAA website?

This safety alert is published to urge all regulated organisations to plan the update of their manual accordingly.

RECOMMENDATIONS:

- a) All organisations approved by the GCAA should plan for reviewing and updating their manuals in accordance with the new publication changes stipulated in IB 2020-18.
- b) The changes should be coordinated with GCAA principal inspectors, as and when appropriate.
