

UNITED ARAB EMIRATES
GENERAL CIVIL AVIATION AUTHORITY

دولة الإمارات العربية المتحدة
الهيئة العامة للطيران المدني

Information Bulletin Number 02/2005

TO : ALL UAE OPERATORS
FROM: CHIEF OF AIRWORTHINESS
REF: 20212/1260 /2005
DATE: 23 March 2005
SUBJECT: RELEASE TO SERVICE REQUIREMENTS

In line with the requirements of the UAE CARs, Part V, Chapter 2 , Section 8 and Chapter 3, Para 3.1, any maintenance action performed on Aircraft, Engine or APU fitted to a UAE registered aircraft shall be released to service by UAE approved maintenance organization.

Components other than complete Aircraft, Engines and APU may be maintained by organizations which are approved by the FAA, EASA, T.C. Canada and released under the privileges of such approval using appropriate forms.

Best regards,

MOHAMED ABUBAKER FAREA
