## Information Bulletin Number 22/2005

**TO :** All Aviation Security Training Organisation in the U.A.E.  
**FROM:** Director Aviation Safety and Security  
**REF:** 20212/4539  
**DATE:** 19<sup>th</sup> September 2005  
**SUBJECT:** AVIATION SECURITY TRAINING REQUIREMENTS

This Information Bulletin clarifies the requirements for all Aviation Security Training Organisation in the U.A.E. in the conduct of ICAO and GCAA approved Aviation Security Training Programme.

1. In keeping with Article 27 of the U.A.E. Civil Aviation Law, all aviation security training organisations in the U.A.E. shall be approved by the GCAA.
2. All aviation security training organisation seeking the recognition of ICAO shall do so through the GCAA. As a pre-requisite, the GCAA shall have to be fully satisfied with the training syllabus, curriculum and instructors for each of the courses before the GCAA communicates with ICAO in this regard.
3. Each aviation security training organisation shall only conduct aviation security courses in accordance with the GCAA approved list and training specifications issued to that organisation. The end-of-course certificate for each of these listed courses only may carry the GCAA logo.
4. Each training organisation shall provide qualified instructors who have satisfactorily completed an approve aviation security training for the applicable course. In addition, the instructors shall hold the appropriate training approval by the GCAA and issued with a Designated Instructor Certificate.

This information bulletin shall remain in force unless being superseded by other instructions.

Best regards,

**AHMED AL HADDABI**  
**DIRECTOR AVIATION SAFETY AND SECURITY**
