transmission of the information required for registration under the Cape Town Convention and its Aircraft Protocol to the International Registry of Mobile Assets (IR).

To that end, the GCAA is pleased to announce that it has established an on-line platform through which applications for obtaining AEP Codes can be submitted and paid for with the purpose of registering interests with the IR.

In order to have access to the AEP platform, all applicants must enroll as Users on the GCAA website which is available on this link <http://www.gcaa.gov.ae>. The AEP platform will be available under e-services at 0900 AM GMT.

The GCAA is inviting interested parties to provide their feedback regarding the AEP platform to acregistry@gcaa.gov.ae

Further to that, the GCAA is planning to hold a seminar with the industry to answer their queries and listen to their comments concerning this topic in the 1st quarter of 2012.
