<b>DATE</b>	:	<b>1<sup>st</sup> SEPTEMBER 2014</b>

### **PURPOSE**

This Information Bulletin (IB) prescribes the maximum permissible aircraft age limit in terms of calendar years for the purpose of issuance of UAE Certificate of Registration (C of R).

### **REQUIREMENTS**

Effective 01 January 2015, the UAE C of R shall be issued only to those aircraft with an age limit equal to or less than twenty (20) years.

Aircraft age shall be calculated from the date of issuance of the initial Certificate of Airworthiness to the application submission date for aircraft registration with the GCAA.

The aircraft that have been issued with UAE C of R before 01 January 2015 shall not be affected by this IB.

The aircraft age limits mentioned in this IB shall also apply to those aircrafts that have been de-registered from the UAE Aircraft Register and are now requiring re-registration.

Note: the above doesn't apply to C of R amendments required for registered aircrafts.
