

INFORMATION BULLETIN No. 03/2015

SUBJECT : **AVIATION SAFETY PROMOTION EVENTS**

ORIGINATOR : **SAFETY AFFAIRS SECTOR**

ADDRESSED TO : **ALL UAE CERTIFIED ORGANISATIONS AND LICENSED PERSONNEL**

DATE : **29 APRIL 2015**

BACKGROUND

In 2014, the UAE aviation industry requested the GCAA to:

- Set up more workshops for safety promotion; and
- Be more engaged with industry.

The GCAA has reviewed the suggestions and found that there is a need to establish a proper communication channel with the industry in relation to safety events.

PURPOSE

In order to promote safety and instil safety culture within the aviation sector, the GCAA has decided to publish and publicise all safety events on a quarterly basis.

This IB announces the following safety events taking place in the second quarter of 2015:

Event	Month
Risk Management Seminar	30 th April 2015
FCL Implementation Workshop	4 th May 2015
Commercial Air Transport Consultative Committee	21 st May 2015
Airworthiness Consultative Committee	28 th May 2015

Disclaimer: This list is tentative and the most reliability event list is available on [GCAA website](#).
