SUBJECT	:	AVIATION SAFETY PROMOTION EVENTS
ORIGINATOR	:	SAFETY AFFAIRS SECTOR
ADDRESSED TO	:	ALL UAE CERTIFIED ORGANISATIONS AND LICENSED PERSONNEL
DATE	:	12 MAY 2015

BACKGROUND

In 2014, the UAE aviation industry requested the GCAA to:

- Set up more workshops for safety promotion; and
- Be more engaged with industry.

The GCAA has reviewed the suggestions and found that there is a need to establish a proper communication channel with the industry in relation to safety events.

PURPOSE

In order to promote safety and instil safety culture within the aviation sector, the GCAA has decided to publish and publicise all safety events on a quarterly basis.

This IB cancels IB 03/2015 as all GCAA events will be announced on the [GCAA website](#) or by individual departments when date and venue are fixed.
