

**INFORMATION BULLETIN
No. 20/2016**

SUBJECT	:	Upset Prevention and Recovery Training Workshop (UPRT Workshop)
ORIGINATOR	:	FLIGHT OPERATIONS
ADDRESSED TO	:	UAE AVIATION INDUSTRY
DATE	:	17 November 2016

BACKGROUND

Reference is made to the GCAA DG Directive 08-2016 concerning Upset Prevention and Recovery Training (UPRT) applicable to all Operators Certificate Holders conducting Commercial Air Transport Operations (Aeroplane) and Approved Training Organisation operating FSTD representative of a complex aeroplane.

PURPOSE

The General Civil Aviation Authority of the United Arab Emirates is organizing an Upset Prevention and Recovery Training workshop on 13th December 2016 in Dubai. The purpose of the workshop is to learn from industry experience, find the best way to implement and deliver UPRT at licensing and operator level within the regulatory framework and to share responsibility, simplifying compliance, approval and oversight.

REQUIREMENTS

Use the attached form to pre-register for the workshop as seats are limited.

TARGET AUDIENCE

Training Managers and/or Head of Training involved in implementing Upset Prevention and Recovery Training (UPRT) in their respective organisation.

CONTACTS

Additional information concerning the workshop can be obtained from:

Captain Ludlow Beckford (GCAA Sr. Flight Operations Inspector)
Email: lbeckford@gcaa.gov.ae Mobile: +971506141129

REGISTRATION FORM

Please return the completed registration form to pdias@gcaa.gov.ae by 30 November 2016.
