Issue 01

Date of Issue: 14th June 2017

SUBJECT:

CALL FOR VOLUNTEERS TO PARTICIPATE IN ONE-DAY COLLABORATIVE CHANGE MANAGEMENT WORKSHOP TO ENHANCE SAFETY AND SERVICE DELIVERY

REFERENCE PUBLICATIONS:

N/A

REASON:

Under its initiative “drive for simplification”, the GCAA has recently initiated and implemented several changes that may produce their expected benefits on a medium to long term.

To pursue those efforts, the GCAA is planning to conduct a one-day workshop to create a collaborative change management between GCAA and UAE Industry. The ultimate objective for this workshop is for the GCAA-UAE Industry to set-up a road map of opportunities for changes toward improving safety with a non-invasive approach.

The workshop is foreseen during the between end of October 2017 and the second week of November 2017 in Dubai (venue: to be announced).

INFORMATION TOPIC:

UAE Industry is invited to actively participate and takes part to this future activity:

- Organisations must provide the GCAA with a maximum of 2 persons who will represent the industry in those discussions. Those persons must have a good knowledge of regulations, GCAA services and tools.
- Organisations may without further delay suggest areas that could be selected (by the GCAA) as topics for the nominees to analyse and provide remedies. Topics could be, but not limited to: GCAA requirements, GCAA processes or tools etc...

Nomination and topics must be provided by mid-July 2017. It is important to note that seats are limited.

Event date & Venue will be announced once all organizations nominate their representatives and topics are finalized.
