

SAFETY DECISION 2018-01

Issue 01

Date of Issue: August 27, 2018

SUBJECT:

CONDITIONAL EXCLUSIONS - BASING OF FOREIGN AIRCRAFT IN THE TERRITORY OF THE UAE

REFERENCE PUBLICATIONS:

UAE GCAA CAR PART IV, FOREIGN OPERATORS REGULATION (FOR), FOR NOC.010
AIP GEN 1.2.14

REASON:

The GCAA would like to facilitate the current requirement related to basing of foreign aircraft in the territory of UAE.

This SAFETY DECISION supersedes any contradiction with CAR PART IV FOR.

MANDATORY REQUIREMENT

A foreign registered aircraft is not required to comply with requirement FOR.NOC.010 stated in CAR-FOR provided:

- a) The aircraft is in the territory of UAE for aircraft maintenance; or
- b) The aircraft is in the territory of the UAE for parking or long term storage; and
- c) In both conditions a) and b), the departure flight from UAE is for non-revenue.
